Questions for your future contractor....

1 ***What certifications do you have?***

The industry-leading team at Geller's carries numerous degrees and certifications such as Certified Landscape Architect, Graduate and Undergraduate design degrees from the University of Manitoba, Red Seal certifications in landscape horticulture and carpentry, ICPI certifications, pool installation certifications, Greenspace management diplomas and many more! Visit our 'Meet The Team' page on our website to learn more!

2 ***What experience do you have?***

Geller's has been operating since 2011, with extensive experience in all aspects of outdoor living. We have over 100 combined years of experience in our leadership team of Matt (20+), Brandon (12+), Jackson (10+), Caila (10+), Alyssa. (8+) and Indy (25+). This doesn't even include our field staff, some of whom have been in the landscaping industry for over 30 years!

3 ***Do you have any references for this type of work?***

Based on our extensive portfolio, we've likely completed a build similar to yours - just ask to see some pictures and we'll happily send them your way! This means we have excellent references from homeowners and clients who have experience working with us on projects of the same scale as yours.

4 ***Who will complete the work on our project?***

When you book with Geller's, **WE** complete the work on site. Using limited sub-trades means lower costs for you, a higher quality of work and a trusting experience for you as you have a direct line to the craftsmen working on your project. From paving stones to pools, plants to pergolas - the Geller's family will take care of your project every step of the way!

5 ***What is your warranty like?***

Geller's offers a 'bumper to bumper' all-inclusive 2-year warranty on every project we install. Further, many of our building products offer warranties stretching from 5 years to a lifetime! Perhaps most importantly, Geller's offers an industry leading **LIFETIME WARRANTY PROGRAM** within our Maintenance Division!

6 ***Do I need permits?***

YES! You very likely need permits and in some cases you will also need to follow municipal bylaws and guidelines. Thankfully, we are well versed on these at Geller's and can apply for any permits as needed.

7 ***Does your landscaper need a budget prior to beginning a design?***

At Geller's, we are completely transparent with pricing and discuss this freely throughout the design process. Time is valuable and we don't want to waste yours by under-designing your dream backyard or over-designing features you don't want to invest in. Discussing the project budget early and often allows us to present designs tailored specifically to your ideal investment values.

8 ***Does your landscaper have clearly defined project categories and staff tailored to fit the needs of different project scopes?***

Geller's boasts a variety of certified and skilled craftsmen with experience building decks, pergolas, fences and other structures. We allow our staff to expand their skill set but also hone their chosen craft to ensure we can offer high-quality work throughout the Geller's umbrella. "A jack of all trades is a master of none."

9 ***Have you won any awards for projects like mine?***

We have won a number of awards for our custom designs, builds and creative use of products. We have been awarded numerous times from the Manitoba Landscape & Nursery Association, the Canadian Nursery & Landscape Association and have been featured in North American publications from Belgard/ Old Castle.

10 ***Why should I hire you?***

Many companies can design custom renovations and some companies build those projects. A few companies build projects similar in scale to our portfolio but NONE offer the various project experts here at Geller's. Our award-winning experience you receive with staff who absolutely love what they do puts us a cut above the rest. Give us a call today and find out how we can bring your vacation home!
